

SPORTS NIGHT - February 19th.

Loyola OF MONTREAL

WOMEN ON THE MOVE

1969 - 70

Loyola Women have been on campus since 1962. This year we are attempting to show the areas of athletic activity in which they are participating.

We hope next year to round out our program with Varsity swimming and field hockey, and more active teaching of tennis and badminton. Also, with more interest from the women on campus, our Intramural program should expand favourably.

I hope that you enjoy this evening.

Supervisor of Women's Physical Education
